**Federal Resources for Rural Communities to Help Address Substance Use Disorder and Opioid Misuse**

**Thursday, October 11, 2018**

In May 2018, the Office of National Drug Control Policy (ONDCP) stood up a Rural Opioid Federal Interagency Working Group to help address the opioid crisis by improving coordination of and reducing potential overlap among the Federal responses in the Nation’s rural communities. The IWG is co-chaired by ONDCP and USDA. [The following sections are taken from the original] document, the first output, a guide to the resources that can help make a difference in your communities. The complete guide can be found at: <https://www.rd.usda.gov/files/RuralResourceGuide.pdf>.
