

**To what other institutions does your court
or state connect via video conferencing?
(Other responses)**

Any where

Elluminate web conference; foreign countries

Hospitals

HR interviews

magistrate offices, police depts, concert venues, Richmond International Raceway

Other courts for training purposes.

Other divisions of the Court and Administrative Office of the Courts

Private attorneys

Sign or foreign language interpreters is pending

Used commercial video conferencing system location one time to interview a job applicant

We use IP addresses so can connect to anyone with an IP address

WSP re SECTOR but specifically set up once only for that purpose
