

**Please list the approximate percentages each funding source listed below contributes to the video conferencing system line cost expenses in your court or state.
(Other responses)**

Child Support Grant

county

Direct cable with Jail Facility - no monthly cost

Federal funds

grant/court fee

internet based

other

Remote end pays for line costs

The local jurisdiction courts cover the cost for their video conferencing systems and the NJ Administrative Office of The Courts covers the cost for installations in the Superior Cts

Video Conferencing is not yet implemented. We anticipate using several different funding sources.
