

**Please list the approximate percentages each funding source  
listed below contributed to the video conferencing system  
installation expenses in your court or state.  
(Other responses)**

---

---

Byrnes Grant

cable franchise fees

CCNO purchased the equipment for us through a grant they received. This eliminates the need to transport their inmates to us (about 50 miles)

county

Court generated fees

fed grants

Federal Clean Air Grant

Federal funds

federal grant & court fee

Federal support

Grants (4)

Local Corrections Facility

Other

planned

Sheriff's Office

State grant funding

The local jurisdiction courts cover the cost for their video conferencing systems and the NJ Administrative Office of The Courts covers the cost for installations in the Superior Cts

Video Conferencing is not yet implemented. We anticipate using several different funding sources.
