POSITION PROFILE

Integrates applications and associated workflow processes into AOC information systems used by Washington's judiciary. A key resource to work across all levels of court jurisdiction to ensure stability, scalability and the delivery of quality services. Design, develop and maintain software solutions to automate complex business processes spanning multiple court jurisdictions and technology platforms using a service oriented framework. Assists with analysis of functional court business requirements to help build patterns to support the court line of business operations through the integration of functionality and data into service components.

Reports to an Information Technology Manager or equivalent, this professional position works independently, with minimal supervision. Assigned work products are subject to review and approval. Ability to support all aspects of application design, development, implementation, improvement, and maintenance. This position provides support to the senior developer team staff members.

- Develop Integration Solutions using BizTalk Technologies [BT2013r2 or earlier] (e.g. maps, pipeline, orchestrations etc.) and the enterprise service bus pattern implemented via a BizTalk solution.
- Work with business analysts and end users to define system requirements.

- Follow integration design patterns and architecture as prescribed by the technical lead and solution architects.
- Provide and maintain documentation for all developed objects, workflows, integrations, and processes in strict timelines.
- Develop and run test scripts to ensure the quality of code and integrity
- Unit test integration deliverables.
- Use source code control repository (Azure DevOps).
- Support new initiatives and/or recommendations for platform scalability, availability, upgrade and re-use.
- Follow defined policies, procedures, controls and processes for the development and testing life cycle.
- Present solutions and recommendations to stakeholders and provide technical training and mentoring to support team and other development team members.
- Work with end-users to develop problem determination and resolution techniques and procedures.
- Perform other duties as required.

*Detailed information (scope of responsibility, essential activities, and key competencies, etc.) can be found by viewing the **Job Description** at Washington Courts [Careers](#), under Current Openings, click on Washington Courts and the Announcement.*

REQUIRED QUALIFICATIONS AND CREDENTIALS

- A bachelor's degree in Information Technology, computer science OR closely allied field, **AND**
- Five years of experience in a complex information technology environment including direct experience with a major systems integration effort.

A combination of education and experience demonstrating a working knowledge of the duties, responsibilities and competencies of the System Integrator may substitute for the qualifications listed.

THE IDEAL APPLICANT WILL ALSO HAVE SOME OR ALL OF THE FOLLOWING KNOWLEDGE, SKILLS OR ABILITIES

- Experience with Json
- Working knowledge of MVC, MVVM patterns ASP .NET Core 2.0
- Minimum of 3 years coding experience in a BizTalk server environment (BT2013r2 or earlier)
- Minimum of 3 years' experience coding SQL and stored procedures on multiple platforms
- Knowledge of XML as it relates to development and troubleshooting
- Knowledge and experience with custom XSLT mappings
- Experience with .Net languages, particularly C#, Java and JavaScript
- Experience in scripting for automation and integration
- Experience in version control systems
- Experience with other object oriented languages
- Web service experience
- Working knowledge of AgileScrum methodologies and Azure DevOps Agile tools
- Hands on development of Integration Solutions using Cloud technologies (e.g. Azure Logic Apps, API Mgt., Service bus, etc.)

HOW TO APPLY / APPLICATION REQUIREMENTS

Interested applicants who meet the qualifications and competencies in this announcement are encouraged to apply for this opportunity.

The following items are **REQUIRED** for your application to be considered complete. Note: ALL sections of the Application must be completed.

- ✓ **Cover Letter** (no more than two pages)
- ✓ **Resume** (chronological)
- ✓ **Judicial Branch Application for Employment**

The Judicial Branch Application for Employment can be found at www.courts.wa.gov/employ, under Current Openings, click on Washington Courts, the Application is located at the bottom of the page.

It is preferred applications be emailed to employment@courts.wa.gov in a PDF format (Word documents are also accepted).
