

The Supreme Court of Nevada

Job Title: Human Resources Analyst/Employee Development

Job Number: 00207

Closing Date: Until Recruitment is Filled

Salary: \$68,619.68 to \$87,503.39 annually

Location: Las Vegas

Description:

The Nevada Supreme Court is the highest court in the state, responsible for interpreting and administering justice. Our Human Resources Office plays a critical role in supporting the Court's operations by providing expert human resources, payroll, and communication services to our employees.

The Human Resources Office is seeking a driven and forward-thinking individual to be our Las Vegas HR Generalist with a focus on employee development throughout the employee lifecycle. Under the direction of the Director of Human Resources, the HR Analyst will play a crucial role in providing professional development, training, and human resources support to the Court.

Why Join Us?

We're looking for motivated and talented individuals who are eager to contribute their skills and expertise to our mission. Being a part of a friendly and supportive team that values communication and fosters a collaborative atmosphere are some of the reasons we love working here!
