

# Remote Conferencing Tips and Security Guides

A Pandemic Resource from NCSC

April 21, 2020 | Version 1

*As the coronavirus has forced courts out of the physical courtroom and into a virtual one. Several courts and court related entities have created guides to help their own community get online and participate securely. The National Center for State Courts has compiled some of those guides. These guides are presented for information purposes only and do not replace consulting with your court's security expert. The National Center does not endorse any particular platform.*
