Sight Translation 2: English to Foreign Language

I, Eric Turner, a **citizen**¹ of this city who is currently **living at**² 200 Madero Avenue, do **appear**³ and state that I am here to file a formal complaint **against**⁴ John Doe, the person responsible for the **crimes**⁵ constituted by the following **facts**⁶:

On November 15, 2019, I was **inside**⁷ my car, a white Ford Focus with license plate number **CZJ1972**⁸, driving on **Beach**⁹ Avenue. Upon arriving at the **intersection**¹⁰ with 17th Street, another driver ran a red light and **hit me**¹¹ on my driver's side door.

I asked¹² him for his contact information, but the individual **refused**¹³ to tell me, **insisting**¹⁴ that the fault was mine and not his.

Because I suffered cuts and a **hip fracture**¹⁵, I was transported by ambulance to the city's **trauma**¹⁶ hospital.

When I was discharged, I reported to the precinct **to request**¹⁷ a copy of the police report, but the name of the person who caused the **crash**¹⁸ is unknown as he fled the scene.

It is **worth mentioning**¹⁹ that the accident happened downtown at a busy intersection, **at which**²⁰ there were several people present **that day**²¹.

Based on the incident **described**²² above, as well as the subsequent **events**²³, I find it necessary to file this complaint seeking compensation for my **medical expenses**²⁴. Once the defendant has been identified, an amended complaint **document**²⁵ will be filed.
