1. What measures have been taken to prevent the placement of the child/children in foster care or to decrease the child/children’s time in foster care?

2. What are the specific safety issues preventing the child/children from being returned home today?

3. What is the collaboratively developed plan to return the child/children safely home?

4. What efforts has the Department undertaken to place the child/children with a fit and willing relative?

5. How are the Department, parents and others supporting stability (placement, school and otherwise) for the child/children?

6. What other efforts must be made to support the child/children and promote timely permanency in the event that the safety issues cannot be ameliorated?
