

MEMORANDUM

Date: April 3, 2017

Subject: First Quarterly Reports of Justice for All Grantees

We are pleased to report that all of the JFA grantees have now completed their reporting for the first quarter. Each state has made significant progress in attracting a wide cross section of participants in the process, and all are focused on completing their inventory assessment.

Each of the states is participating in on-line and telephone conversations, seeking guidance and support on their efforts. The cooperation between grantees will enrich the efforts of each state as well as the larger community as the work moves forward.

We will continue to keep you advised of the on-going progress of these efforts.

Hon. Ralph Gants

Co-Chair

Justice for All Advisory Committee

Hon. Laurie Zelon
